

PFLAG BUFFALO/NIAGARA GAY STRAIGHT ALLIANCE (GSA)

GRANT APPLICATION

PFLAG Buffalo/Niagara Grants are available for amounts up to \$500.00. These monies must be used solely for activities, supplies, or events that enrich the Gay Straight Alliance experience in Western New York schools. A connection to an LGBTQ-related event or activity is required. Grant requests must be received 30 days in advance of when the monies need to be released. A short article by an advisor or member sharing how the funds were used is required. This will be printed in our monthly newsletter.

Please mail the completed application to PFLAG Buffalo/Niagara P.O. Box 617 Buffalo NY 14207 or attach as PDF to an email to info@pflagbuffalo.org. For either of these methods, please call to the PFLAG Helpline 883-0384 stating contact information and that you have submitted an application. You will hear within two weeks if your request has been approved.
