www.facebook.com/pflag.niagara

Generally, monthly sharing meetings are held at Kenilworth United Church of Christ, 45 Dalton Drive, Tonawanda 14223, from 2:30-5:00. Newcomers and anyone interested will be offered the option of meeting privately with a PFLAG parent. Our monthly meetings are in the library, which is near the parking lot entrance. The facility is handicapped accessible. New Parents Meetings are scheduled as needed at a location convenient to those involved. These self-help one-on-one meetings deal with the concerns of parents and family members who have recently learned that a loved one is gay.

We meet because we have learned that someone very close to us is Gay, Lesbian, Bisexual, or Transgender. We try to help one another deal with this information in a positive manner. Although we do not agree at all times, we try to be understanding. We offer help to those who seek it, but do not force ourselves on others. We strive to maintain anonymity while sharing on a level that is comfortable for all of us. We encourage all to attend meetings.
LANCASTER OPERA HOUSE PRESENTS “FREEDOM TO MARRY”

This film of the legal journey to marriage equality was shown as part of the UB Community Film Series at the Lancaster Opera House in November. This series is presented by the UB School of Arts and Sciences department of sociology.

“Freedom” follows the organization Freedom to Marry and its advocacy for marriage equality.

The documentary shows each success and setback along the way, from initial steps through the triumphant the Supreme Court ruling.

Board members Dave Barrett, Sharon Barrett, Lisbeth Ball,, and Julie Christiano, attended.

The impressive documentary was powerful and the talk back afterwards added to the experience. The movie is now available on Netflix; it is also a possible film for PFLAG to present at our annual screening in October at The Central Library.
